DOCKET NO. 94-719-G - ORDER NO. 95-973
APRIL 27, 1995

IN RE: South Carolina Pipeline Corporation -)	ORDER
FERC Order No. 636 Issues)	GRANTING
)	INTERVENTION
)	OUT OF TIME

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Petition to Intervene Out of Time filed on April 18, 1995, by Tenneco Gas Marketing Company (Tenneco). The Petition states that Tenneco is interested in this proceeding in which the Commission responds to FERC Order No. 636. Tenneco states that its interest arises from its own sales activity and potential sales activity through local entities through its recently announced Tenneco Alliance Program. Tenneco states that it has only recently become aware of this proceeding and is moving to intervene out of time. Tenneco offers that its participation in this proceeding will provide input that will allow the Commission to more fully consider the issues involved. Tenneco further states that irregardless of its late admission into these proceedings, that it will comply with all deadlines, and that its intervention will not delay the proceedings or unduly impact the proceedings or other participants.

The Commission has considered this request and believes that Tenneco has stated good cause to be admitted out of time, and that no party would be prejudiced by the admission of Tenneco as an Intervenor.

IT IS THEREFORE ORDERED THAT:

1. The Petition to Intervene Out of Time filed by Tenneco is hereby granted.
2. This Order shall remain in full force and effect until further Order of the Commission.
